

## Standard Plus

When restrooms with hand washing are needed on any construction, long-term or seasonal site, the Mr. John Standard Plus is the ideal solution. The Standard Plus includes all of the features of the Mr. John Standard plus a self-contained fresh water sink. The Standard Plus uses fresh water (non-potable) and operates with an easy to use foot or hand pump. The Mr. John Standard Plus includes a toilet, freshwater sink, soap dispenser, towel dispenser, and toilet paper dispenser.

Mr. John's professional service is provided a minimum of once per week and includes cleaning and sanitizing, recharging with deodorizer and fresh water and replenishing toilet paper, soap and hand towels.
