

10x40

Popular for construction trailers, special events offices, and temporary office space.

10x40 office trailers have two offices with two individual entry doors, and an interior access door between both offices.

Standard furniture package includes two full width built-in desks with file cabinet, drafting table, and central HVAC or through wall AC and baseboard heat.

A restroom with sink and toilet comes standard in all 10x40 office trailers. If water and sewer are unavailable, our Aqua Flush System is a perfect solution.
